### 2021 Reciprocal Moorage General Information

**Reciprocal Agreements:** The Comox Valley Yacht Club (CVYC) and 19 Wing Comox Yacht Club (19WCYC) have combined their budgets to offer reciprocal moorage to ten Yacht Clubs in British Columbia. The Clubs are: Burrard Yacht Club, Capital City Yacht Club, Deep Bay Yacht Club, Ladysmith Yacht Club, Maple Bay Yacht Club, Nanaimo Yacht Club, Salt Spring Island Sailing Club, Schooner Cove Yacht Club, Sidney North Saanich Yacht Club and Vancouver Rowing Club - Yachting Section.

#### **Comox Harbour:**

The moorage space for our reciprocal clubs is at the **Comox Valley Harbour Authority** (CVHA) docks. The harbour is in the Town of Comox.

Note that Comox has FOUR different owners of the floats and upland facilities. Our Reciprocal agreement is only with the **Comox Valley Harbour Authority**.

Neither the CVYC nor the 19WCYC own any floats or upland facilities. Our Clubs pay for space when a member from a reciprocal club moors in the harbour with the CV Harbour Authority.

The CVHA docks are accessed on the far RIGHT of the breakwater when approaching the Harbour. The gas docks (Gas and Go), the Town of Comox docks and the Comox Valley Marina are accessed through the middle of the breakwater. There are NO reciprocal arrangements with these marinas. The CVHA manages our two Club's reciprocal agreements on our behalf.

Their contact information is:

Comox Valley Harbour Authority, Fisherman's Wharf  
121 Port Augusta Street  
Comox. BC, V9M 3N8  
250-339-6041 Monitoring VHF Channel 66A  
Harbour Manager: Leslie Taylor [info@comoxharbour.com](mailto:info@comoxharbour.com) Office – 250-339-6041  
Website: [www.comoxharbour.com](http://www.comoxharbour.com)

**CVHA Amenities:** Electricity (20, 30, 50 amp, 120/250 volts), fresh water, washrooms, showers, laundry, visitors' lounge area, courtesy computer, visitor information centre, wireless internet, 2-ton winch, pay phones, pump-out station, breakwater promenade, parking. Fuel is available at the Gas and Go in the adjacent harbour.

**Town of Comox Amenities:** The following amenities are within walking distance of the marina: boat launch, parks, Public Library, public tennis courts, banks, Credit Union, marine chandlery, art galleries, Comox Museum, (Air Force Museum is a cab ride away), Comox Golf Course (public), restaurants, the new hospital is a 10-minute cab ride, medical and dental centers, Post Office, and general shopping; The Comox Mall, up the marina roadway (Port Augusta Street) includes a BC liquor

and beer store, a full-service grocery store, pharmacies. Pizza place, craft beer pub and other shops and services. The Comox Airport is about a 15-minute cab ride from the marina. The Town of Comox operates two tidal grids for boat repairs and maintenance. Contact the CVHA staff to get assistance in arranging usage of these tidal grids.

### **CVYC and 19WCYC 2021 Reciprocal Rules**

**Reciprocal Moorage:** No reservations.

**Registration:** upon arrival to the Comox Valley Harbour Authority (CVHA) office at the top of the harbour floats.

**Identification:** A current year Club membership card must be shown, and your Club's burgee should be flown. Please be prepared to present "Proof of Liability Insurance" if requested by the CVHA.

**Maximum Boat Length:** The maximum moorage of a boat is governed by the CVHA; however, our Clubs' reciprocal fee policy is to pay for a maximum of 50 feet. The remainder is to be covered by the boat owner.

**Maximum Daily Boat Combined Length:** The combined length of boats is 150 feet per day. Any boat arriving after this length has been achieved on any given day will not have that night of their moorage covered under the reciprocal agreement, but if they stay a second night their moorage will be covered under the agreement. However, a portion of a boat's moorage will be paid should the combined length at the time of registration over feet but over when the last boat is registered. For example, if the combined length on a day is 140 feet and the next arriving is 40 feet, then 10 feet of that boat's moorage fee will be covered.

**Time Limit:** The first night's reciprocal moorage is at no charge, except for power, length, and other restrictions. Subsequent nights are at the current dock rate. Reciprocal moorage restricted to 2 non-consecutive nights per boat per calendar year.

**Moorage Fee:** The daily rate is governed by the CVHA. At the time of sending this letter we are not aware of increases from the 2021 rates of \$.97 per foot per night plus GST. Electrical or other charges are not covered under our agreement and are the responsibility of the boat owner.

**Insurance:** Please be prepared to present a "Proof of Liability Insurance" when requesting reciprocal moorage.
